**h.18.15 Bovisa Campus**

Informal meeting

**Federico.**

“ Every period of our life is the right one to have an impact. It is a privilege, being member of SIT Polimi is the best way to do it. ”

**Fabio.**

“ One of the most important things in a student's academic career is the ability of the concentration of their social roles and responsibilities. But, there are not before the projects. SIT Polimi gives me the chance to work with people that are knowing the pressure role. ”

**Cristina.**

“ To me "Social Innovation" is all about making small changes that, once connected, can trigger an earthquake of good practices. SIT Polimi it's all about that: it connects people striving for a better society. ”

**Nicola.**

“ We live at SIT Polimi Plus and we are proud to be part of the social innovation ecosystem. We are working on the social impact of our projects and we are proud to be part of the SIT Polimi Plus ecosystem. We are proud to be part of the SIT Polimi Plus ecosystem. ”

**Elena.**

“ Our project is part of SIT Polimi's mission to address the social impact of our projects. We are working on the social impact of our projects. We are working on the social impact of our projects. ”

**Simona.**

“ In the world, there are many things that are not done yet. We are working on the social impact of our projects. We are working on the social impact of our projects. ”

**Filippo.**

“ One day I discovered that university is way more than simply passing exams. I am here at SIT Polimi to make that day come as soon as possible for the next generations of students. ”

**Margherita.**

“ My goal is to create a better world. I am working on the social impact of our projects. I am working on the social impact of our projects. ”

**Elena.**

“ Our project is part of SIT Polimi's mission to address the social impact of our projects. We are working on the social impact of our projects. ”

**Giorgio.**

“ SIT Polimi helps students in building a more reflective and different social action. Being part of this community means being a student, to fight everyday social challenges in order to become a better world for our generations. ”

**Marta.**

“ For me Social Innovation means being proactive in the present to imagine a better future. Being part of SIT Polimi allows me to have a positive impact on the society by challenging my assumptions and by forming other new ones. ”

**“Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has.”**

**-Margaret Mead**
