

# UNFOLD

MOVING MATTER  
RE-ACTIVATING MILAN'S EX-INDUSTRIAL

MILAN DESIGN WEEK WORKSHOP INSTALLATION  
7 - 12 APRIL 2015 - MILAN, ITALY

"UNFOLD aims to explore the relation between the design and materialising of Space, understanding the "moving matter animated by peristaltic movements, folds and foldings" (G. Deleuze), and the breaking free of the Cartesian grid working in networks of folds."
